Shakil Ahmed	Headteacher	18/02/2021	
Mol. Usman Butt	Governor	18/02/2021	

## 1. Introduction And Rationale

Lockdown procedures should be seen as a sensible and proportionate response to any external or internal incident which has the potential to pose a threat to the safety of staff and students in the school. Procedures should aim to minimise any disruption to the learning environment whilst ensuring the safety of all students and staff.

Lockdown procedures may be activated in response to any number of situations, but some of the more typical might be:

- A reported incident / civil disturbance in the local community (with the potential to pose a risk to staff and students in the school)
- An intruder on the school site (with the potential to pose a risk to staff and students)
- A warning being received regarding a risk locally, of air pollution (smoke plume, gas cloud etc)
- A major fire in the vicinity of the school

<b>Signals</b>	
Signal for lockdown:	Verbal Communication via the school's PA system located in the main administration office.
Signal for all-clear:	Verbal Communication via the school's PA system located in the main administration office.

<b>Lockdown</b>	
Rooms most suitable for lockdown	All classes to remain in their own classrooms
Entrance points (e.g. doors, windows) which should be secured	External doors Fire Doors Internal doors All windows
Communication arrangements	Staff Mobile telephones
Notes	If someone is taken hostage on the premises, the school should seek to evacuate the rest of the site.

<b>Initial response checklist - lockdown (e.g. in response to an intruder in the school grounds)</b>		Tick / sign / time
L1	Ensure all students are inside the school building. Alternatively, ask students to hide or disperse if this will improve their safety by staff member with them. Students to take cover under their desks, where possible.	
L2	Lock / secure entrance points (e.g. doors, windows) to prevent the intruder entering the building	
L3	Dial 999. Dial once for each emergency service that you require	

L4	Ensure people take action to increase protection from attack: Block access points (e.g. move furniture to obstruct doorways) Sit on the floor, under tables or against a wall Keep out of sight - Draw curtains / blinds - Turn off lights Stay away from windows and doors <i>Teachers will be responsible for the class they are teaching when a lockdown is announced.</i>	
L5	Ensure that students, staff and visitors are aware of an exit point in case an intruder does manage to gain access to the building	
L6	If possible, check for missing / injured students, staff and visitors.	
L7	Remain inside until an all-clear has been given or unless told to evacuate by the emergency services.	

- Staff will be alerted to the activation of the plan through their mobile telephones and verbal instruction.
- Students who are outside of the school buildings are brought inside as quickly as possible, unless this endangers them and others. If students remain outside they should hide with staff as instructed.
- Those inside the school should remain in their classrooms.
- All external doors and, as necessary, windows are locked (depending on the circumstances). Internal classroom doors may also need to be blocked.
- Once in lockdown mode, staff should notify the Designated Safeguarding Leads or Fire Marshall to instigate an immediate search for anyone who is missing.
- Staff should encourage students to keep calm.
- As appropriate, the school office will establish communication with the Emergency Services.
- Parents will be notified as soon as it is practicable to do so via text messaging or phone call.
- Students will not be released to parents during a lockdown.
- If it is necessary to evacuate the building, the fire alarm will be sounded and a verbal message to evacuate will be sent via staff mobile phones.

It is of vital importance that the school's lockdown procedures are familiar to all members of the school staff.

To achieve this, a lockdown drill should be undertaken at least once a year. Students should also be aware of the plan.

## 2. Partial Lockdown

### Alert to staff: 'Partial lockdown'

This may be as a result of a reported incident / civil disturbance in the local community with the potential to pose a risk to staff and students in the school. It may also be as a result of a warning being received regarding the risk of air pollution, etc.

Immediate action:

- All outside activity to cease immediately, students and staff return to building. Staff will be alerted through their mobile phones.
- All staff and students will remain in the building and external doors and windows will be locked.
- Student movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff.

All situations are different. Once all staff and students are safely inside, senior staff will conduct an on-going and dynamic risk assessment based on advice from the Emergency Services. This can then be communicated to staff and students.

'Partial lockdown' is a precautionary measure but puts the school in a state of readiness (whilst retaining a degree of normality) should the situation escalate.

In the event of an air pollution issue, air vents should be closed (where possible) as an additional precaution. Emergency Services will advise as to the best course of action in respect of the prevailing threat.

### 3. Full Lockdown

#### **Alert to staff: 'Full lockdown'**

This signifies an immediate threat to the school and may be an escalation of a partial lockdown.

Immediate action:

- All students return to a classroom.
- External doors are locked. Classroom doors are blocked.
- Windows are locked, blinds drawn and students sit quietly out of sight (e.g. under desks).
- Register taken/head count - the school office will contact each class in turn for an attendance report via staff mobile phones.
- Staff and students will remain in lockdown until it has been lifted by a senior member of staff or the Emergency Services.
- At any point during the lockdown, the fire alarm may sound and a verbal message sent via staff mobile telephones, where possible, to evacuate the building.
- During the lockdown staff will keep agreed lines of communication open, via staff mobile telephones, but will not make unnecessary calls to the school office as this could delay more important communication.

School lockdown procedures, especially arrangements for communicating with parents, will be routinely shared with parents either by the school newsletter or via the school website.

In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable.

Parents should be given enough information about what will happen so that they:

- are reassured that the school understands their concern for their child's welfare and that it is doing everything possible to ensure his/her safety.
- do not need to contact the school. Calling the school could tie up telephone lines that are needed for contacting the Emergency Services.
- do not come to the school. This could interfere with Emergency Services' access to the school and may even put themselves and others in danger.
- wait for the school to contact them about when it is safe for them to come to collect their children, and where this will be from.

### **Parents will be told**

'...the school is in a full lockdown situation. During this period the switchboard and entrances will be un-manned, external doors locked and nobody will be allowed in or out...'

### **Emergency Services**

It is important to keep lines of communication open with Emergency Services as they are best placed to offer advice as a situation unfolds. The school site may or may not be cordoned off by Emergency Services depending on the severity of the incident that has triggered the lockdown.

Emergency Services will support the decisions of the Head Teacher regarding the timing of any communication to parents.
